Re: United States v. Daniel Cifonelli  
06 CR 240 (ADS)

Dear Judge Spatt:

The government submits this letter requesting the Court set a date for the defendant to surrender to the United States Marshal Service.

Pursuant to the Court's request, the Marshal's indicate that based on the defendant's medical claims, they will arrange for him to be examined by a doctor, exercising independent medical judgement, at the time of his surrender to determine whether or not Cifonelli is fit for confinement. I have notified counsel of this procedure and he has indicated that the defense has prepared relevant medical records of the defendant's for any such medical examination.

Respectfully submitted,

LORETTA E LYNCH  
United States Attorney
